

Parental Permission Form for ACCCO Student to study a child

Dear _____,

My name is _____ and currently studying an Education qualification with Australian Child Care Career Options.

As a part of this qualification, I need complete assessments which requires me to study the care and development of a child, understand the child's skills and knowledge, and plan interactions and learning opportunities to support their development. I would like to ask your permission to work with your child, _____ for the purpose of these assessments.

Before giving me permission, please know that:

- I will ensure your child's privacy by identifying them in no other way other than their first name and comply with confidentiality legislation.
- Any information I collect will be kept by ACCCO for the purpose of assessing my competency. I will also give a copy of my findings to your child's service if requested.
- Information gathered will be guided by the *National Quality Framework* and the approved learning frameworks, and may include written records and photographs.
- Your child's usual Educators will oversee my work and will be consulted throughout to ensure I am complying with the practices and policies of the service as well as the requirements of the *National Quality Framework*.

If you agree to me working with your child as a part of my assessments, please sign and return the form below to your child's service. If you don't give permission, please return this form blank.

Thank you for your time.

Kind regards,

*More information regarding the National Quality Framework can be found here: <http://www.acecqa.gov.au/national-quality-framework>
